GENERAL PROVISIONS

Eligibility

Regular, full-time and part-time faculty members will become eligible for coverage on the first day of the month following the date employment commences.

Temporary faculty members who are assigned two or more continuous teaching blocks each of three months or greater, and with a workload within each of 50% or greater with no breaks greater than 31 days between the blocks.

Retired employees are not eligible for coverage.

Effective April 1, 2002, all active regular employees and active non-regular employees who are employed on a continuing basis for at least a 4 month period with 50% or more of a full-time workload will be eligible for Short Term Disability and Long Term Disability coverage.

When Your Insurance Starts

Your insurance comes into effect on the latest of the following dates if you are actively at work on that date.

- the date you become eligible;
- the date you apply; or
- if Evidence of Insurability is required the date it is approved by the Insurer.

Evidence of Insurability

Evidence of Insurability is required if:

- you apply for insurance more than 31 days after becoming eligible to apply;
- you reapply after your insurance has terminated due to non-payment of premium; or
- you apply for Optional Life Insurance for you and/or your spouse.

When Your Insurance Terminates

Your insurance terminates in the event of:

- non-payment of premium;
- a change in your classification to one not insured;
- termination of your employment;
- termination or amendment of the Master Policy;
- your commencing active duty in any armed forces;
- your attainment of the age specified in the Description of Benefits section; or
- your retirement.

Note: If you retire early and defer taking pension income from the university pension plan, you and your dependents remain covered under the Extended Health Care benefit until:

- you begin to receive pension income from the university pension plan;
- the fifth anniversary of the date you retire; or
- the date your coverage would otherwise terminate as explained above.

Your Extended Health Care coverage will continue to allow you to use your Drug Card. Only the Extended Health Care coverage will be provided. Your other benefits terminate upon your retirement.

Note:

In the event you are absent from work due to sickness, injury, layoff or leave of absence, your insurance coverage may continue for a period as outlined in the Master Policy, but only if the required premiums are paid. Please contact your Plan Administrator for further details.

GENERAL PROVISIONS

Change in Amounts of Insurance

A change in the amount of your insurance shall become effective on the date of change, if you are actively at work for that full scheduled working day, otherwise on the first day thereafter on which you are actively-at-work.

Eligible Dependents

Eligible dependents under this plan shall include:

- Unmarried children who are under age 21, or under age 26 if attending an accredited school, college, or university as a full time student. Dependent children must be dependent on you for support and not employed at a regular full-time job.
- Functionally impaired children who are totally dependent upon you for support. For the purposes of this plan, functionally impaired shall mean an unmarried person who was insured as a dependent prior to becoming functionally impaired who is wholly dependent upon you for support and maintenance within the terms of the Income Tax Act.
- A child of your spouse provided,
 - i) he/she is also your biological child; or
 - ii) your spouse is living with you and has custody of the child.
- Your spouse, which includes:
 - i) a person married to you as a result of a valid civil or religious ceremony; or
 - ii) a person whose common law relationship with you has existed for a minimum period of 12 consecutive months immediately prior to the date on which a claim arose, provided the existence of such relationship includes continuous cohabitation and public representation of married status.

If you have been married to more than one person, you can only claim your current spouse or your current common law relationship if you have been cohabiting for more than 24 months.

Co-ordination of Benefits

Payment of Extended Health Care, Vision Care and Dental benefits shall be coordinated so that benefits from all plans do not exceed 100% of the eligible claim. For this purpose, Manulife Financial has a right to receive and release information on benefits and if necessary, collect any overpayments made by it.

Order of benefit payment will be determined as follows:

A variety of circumstances will affect which Plan is considered as the "Primary Carrier" (i.e. responsible for making the initial payment toward the eligible expense), and which Plan is considered as the "Secondary Carrier" (i.e. responsible for making the payment to cover the remaining eligible expenses).

If the other Plan does not provide for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expenses.

If the other Plan does provide for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.

GENERAL PROVISIONS

Co-ordination of Benefits (Continued)

For Claims incurred by you or your Dependent Spouse:

The Plan covering you or your Dependent Spouse as an employee/member pays benefits before the Plan covering you or your Spouse as a dependent.

In situations where you or your Spouse have coverage as an employee/member under more than one Plan, the order of benefit payment will be determined as follows:

- The Plan where the person is covered as an active full-time employee, then
- The Plan where the person is covered as an active part-time employee, then
- The Plan where the person is covered as a retiree.

For Claims incurred by your Dependent Child:

The Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

When parents are separated or divorced, the following order applies:

- The Plan of the parent with custody of the child, then
- The Plan of the spouse of the parent with custody of the child (i.e. if the parent with custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child), then
- The Plan of the parent not having custody of the child, then
- The Plan of the spouse of the parent not having custody of the child (i.e. if the parent without custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child).

A claim for accidental injury to natural teeth will be determined under Extended Health Care Plans with accidental dental coverage before it is considered under Dental Plans.

If the order of benefit payment cannot be determined from the above, the benefits payable under each Plan will be in proportion to the amount that would have been payable if Co-ordination of Benefits did not exist.

Submitting a Claim for Co-ordination of Benefits

As per the Order of Benefit Payment section, determine which Plan is the Primary Carrier and which is the Secondary Carrier.

Submit all necessary claim forms and original receipts to the Primary Carrier.

Keep a photocopy of each receipt or ask the Primary Carrier to return the original receipts to you once your claim has been settled.

Once your claim has been settled by the Primary Carrier, you will receive a statement outlining how your claim has been handled. Submit this statement along with all necessary claim forms and receipts to the Secondary Carrier for further consideration of payment, if applicable.

GENERAL PROVISIONS

Time Limitations

A claim for disability income benefits must be submitted within 6 months of the end of the qualifying disability period.

A claim for a waiver of premium benefit must be submitted within 12 months of the date disabled.

A claim for any other loss must be submitted within 18 months following the date the loss is incurred. However, in the event of termination of insurance, a claim must be submitted within 90 days following the date of termination of your insurance or the date following termination of a coverage or the policy.

Medical Information Bureau (MIB)

MIB Group, Inc. (MIB) is a non-profit membership organization of life insurance companies, which operates an information exchange on behalf of its members.

Manulife Financial or its re-insurers may periodically report information to the MIB. If you apply to receive life, disability or health insurance coverage from another MIB member company or submit a claim for benefits to such a company, the MIB upon request will supply the other insurer with the information on file.

Manulife Financial or its reinsurers may also release information in its file to other life and health insurance companies to whom you may apply for insurance or submit a claim for benefits. All Information obtained will be treated as confidential.

Upon your request, the MIB will arrange disclosure of any information it may have in your file. If you question the accuracy of information in the MIB file, you may contact the MIB and seek a correction. Their address is: MIB, 330 University Ave., Suite 501, Toronto, Ontario, M5G 1R7. Tel: (416) 597-0590.

EMPLOYEE LIFE INSURANCE

In the event of your death while insured, the amount of your Life Insurance is payable to your beneficiary. You may change your beneficiary at any time by written notice to your Employer, subject to any policy or legal limitations.

Benefit Amount

Under age 65 3 X your annual earnings, rounded to the next higher \$1,000 if not already a multiple thereof, subject to a maximum of \$800,000.

Age 65 and older 1 X your annual earnings, rounded to the next higher \$1,000 if not already a multiple thereof, subject to a maximum of \$800,000.

Your benefit reduces on the August 31st following your 65th birthday.

Termination Age

Your benefit terminates on your 71st birthday, or date of retirement if earlier.

Waiver of Premium for Disability

If you i) qualify for Long Term Disability benefits or ii) become totally disabled for 212 consecutive days before age 65, your Life Insurance will be continued free of charge until you cease to be totally disabled or you reach age 65, whichever occurs first.

To qualify during the Qualifying Period and the next 2 years, you must be unable to perform any combination of duties of your own occupation that regularly took at least 70% of your time at work to complete. After this period, total disability means you are unable to earn at least 70% of your earnings from any occupation or employment for which you are or may become qualified by training, education or experience.

Note: In order to qualify for the Waiver of Premium benefit you must notify Manulife Financial of your disability within one (1) year of your last active day at work, and must furnish proof of your disability satisfactory to the Insurer within 18 months of that last active working day.

Conversion Privilege

If your Group Benefits terminate, you may be eligible to convert your Employee Life Insurance to an individual policy, without medical evidence. You must apply for the individual policy, and pay the first monthly premium within 31 days of the termination of your Employee Life Insurance. For information on the conversion privilege, please see your Human Resources Department.

Note: Conversion does not apply if insurance terminates at the above-noted specified benefit termination age or upon your retirement.

OPTIONAL LIFE INSURANCE

Benefit Amount	You or your spouse may apply for this coverage in units of \$10,000, subject to a maximum of 20 units (\$200,000). This coverage is available in addition to, not in lieu of, Employee Life Insurance.
No Evidence Limit	Evidence of insurability, satisfactory to Manulife Financial, shall be required for all amounts.
Termination Age	Your benefit terminates on your 71 st birthday or earlier retirement. Your spouse's benefit terminates: ➤ on the date your benefit terminates; or ➤ on the date your spouse attains age 71; whichever is earlier.

In the event of your death while insured, the amount of your Optional Life Insurance is payable to your beneficiary. In the event of the death of your spouse while insured, the amount of your spouse's Optional Life Insurance is payable to you.

However, if you or your spouse die due to self-destruction while sane or insane, Manulife Financial will not pay any part of Optional Life Insurance which became effective less than two years prior to your date of death. Misstatement of non-smoker status by you or your spouse shall constitute fraud and Manulife Financial will not pay any part of Optional Life Insurance regardless of the cause of death.

The provisions of this coverage shall be the same as for Basic Life Insurance except that Waiver of Premium Benefit for the spouse ceases on the earlier of: a) the date the Waiver of Premium for Life Insurance ceases, or b) the date the policy or coverage terminates.

Definition of Non-Smoker

A person who has totally abstained from smoking cigarettes or cannabis for a one year period immediately preceding the date of his/her application for Non-Smoker Status as outlined in the Master Policy.

BASIC ACCIDENTAL DEATH AND DISMEMBERMENT

This plan is underwritten by
Industrial-Alliance *Pacific* Life Insurance Company

"Loss" as above and used with reference to hand or foot means complete severance at or above the wrist or ankle joint but below the elbow or knee joint; as used with reference to arm or leg means complete severance at or above the elbow or knee joint; as used with reference to thumb and fingers means complete severance at or above the metacarpophalangeal joint; as used with reference to toes means complete severance at or above the metatarsophalangeal joint; as used with reference to eye means the irrecoverable loss of the entire sight thereof; as used with reference to speech means the total and irrecoverable loss thereof; and as used with reference to hearing means the total and irrecoverable loss thereof. "Loss" as above used with reference to quadriplegia, paraplegia and hemiplegia means the permanent and irrecoverable paralysis of such limbs.

Any indemnity payable for Loss of Use shall be paid only if such loss is permanent, total and irrecoverable and shall have been continuous for a period of twelve months from the date of the accident.

Only one of the amounts shown on the Schedule of Losses, the largest, is payable for all losses resulting from any one accident to any one Insured Person.

Aggregate Limit of Indemnity

The aggregate limit applicable for all losses from any one accident is \$5,000,000.

BASIC ACCIDENTAL DEATH AND DISMEMBERMENT

Description of Hazards

The hazards against which insurance is provided under and subject to the provisions of this policy, is defined as injury sustained by the insured person while this policy is in force.

Beneficiary

Death Benefits – Shall be paid to the beneficiary designated under your Group Life Insurance policy. If no such designation has been filed, death benefits shall be paid to your estate.

Dismemberment Benefits - In the case of dismemberment, the benefits are payable to the employee. If death occurs within 365 days of dismemberment the death benefit will be reduced by the amount previously paid.

Additional Benefits

The **Conversion Option** may allow you to convert your insurance to an individual accident insurance plan with no evidence of insurability should you terminate active employment, other than through retirement. You must apply for conversion within 31 days of your termination date.

The **Day-Care Benefit** may pay toward the cost of day-care expenses for your children if you become fatally injured, up to a maximum of 5% of your selected amount of insurance or \$10,000.00 per year, but not to exceed four consecutive years.

The **Family Transportation Benefit** may pay up to \$10,000.00 for the transportation and lodging of an immediate family member to visit you if confined to a hospital which is at least 150km from your normal residence.

The **Home Alteration and Vehicle Modification Benefit** may pay up to \$10,000.00 within three years of the accident to modify your home or vehicle to make them wheelchair accessible should you become permanently paralyzed, lose both feet or lose the use of both feet.

The **Repatriation Benefit** may pay up to \$15,000.00 toward the expense of burial preparation and shipment of your remains to your city of residence should you become fatally injured outside of your normal city of residence.

The **Rehabilitation Benefit** may pay up to \$15,000.00 within three years of the date of the accident toward the cost of reasonable and necessary expenses resulting from undergoing special training in order to be qualified to engage in a special occupation because injury from an accident did not allow you to continue in your current occupation.

The **Seat Belt Benefit** may pay an additional 10% of your amount of insurance if at the time of the accident you were driving or riding in a vehicle and wearing a properly fastened seat belt.

The **Spousal Retraining Benefit** may pay up to \$10,000.00 within three years from the date of accident for the spouse to engage in a formal occupational training program in order to become qualified for active employment in an occupation for which she/he would not otherwise have sufficient qualifications. Payment will not be made for room, board or other ordinary living, travelling or clothing expenses.

The **Education Benefit** may pay 5% of the principal sum, subject to a maximum of \$5,000.00 per year per dependent child to attend a school of Higher Learning on a full-time basis; but not to exceed four consecutive school years. The loss must occur within 12 months of the injury or death. Payment will not be made for room, board or other ordinary living, travelling or clothing expenses.

BASIC ACCIDENTAL DEATH AND DISMEMBERMENT

Termination of Insurance

Insurance on an employee will automatically terminate:

- on the date specified in the Termination Age on the first page of the Basic Accidental Death and Dismemberment section, or
- on the date the employee terminates his employment.

Exclusions

The plan does not cover loss caused by suicide or any attempt thereafter while sane or insane; intentionally self-inflicted injury; injury sustained in consequence of riding as a crew member or pilot in any vehicle or device for aerial navigation; injury sustained in consequence of riding as a passenger in aircraft owned, operated or leased by your employer; declared or undeclared war or any act thereof or full-time active service in the armed forces of any country.

THIS IS AN ILLUSTRATION OF BENEFITS ONLY AND IS SUBJECT TO THE TERMS AND CONDITIONS OF THE MASTER POLICY ON FILE WITH YOUR EMPLOYER.

SHORT TERM DISABILITY

In the event you become disabled due to an injury or sickness you will receive a disability benefit, provided you are under the regular and personal care of a qualified and licensed physician.

Total disability means that due to sickness or accident, you are unable to perform the regular duties of your own occupation.

Benefit Amount	70% of your weekly earnings, subject to the maximum benefit available based on the highest salary scale in the current collective agreement. Maximum benefit is \$1,385 per week effective April 1, 2002.
Benefit Begins	31st day of disability due to an accident 31st day of disability due to a sickness
Benefit Period	21 weeks
Termination Age	Coverage terminates on the date you attain age 65 or earlier retirement.

Tax Status of Benefits

Since your Employer pays the entire cost of this benefit, any disability benefits you receive will be taxable income.

Definition of Weekly Earnings

Weekly earnings is defined as your normal earnings on the last day of work plus any negotiated retroactive salary increases during the sick leave period. If you work less than full-time, or your regular employment includes a period of layoff with a pre-determined recall date of less than nine months, the gross weekly earnings refers to your hours normally worked per week, as determined by averaging the number of hours you actually worked over the 52-week period immediately preceding the date of disability or illness, times your regular hourly rate, or the hourly equivalent, which are rates in effect at the date of disability.

Banked Sick Leave

Once your disability claim has been approved by Manulife Financial, you will be given the option, after the 30 day qualifying period, to use your banked sick leave or receive short term disability benefits. If your banked sick leave does not extend for the duration of the 21-week benefit period, short term disability benefits will be paid for the remainder of the benefit period, provided you are still disabled.

Benefit Period

Benefits will terminate on the earlier of:

- 21 weeks of payments (combination of short term disability and banked sick leave) provided you continue to be disabled as defined by the plan, or
- the end of the month in which the employee retires, or
- the day of layoff or separation as noted below:

If you are receiving benefits under this policy, you shall continue to receive such benefits upon layoff or separation until the termination of the disability or until the maximum benefit entitlement has been granted, whichever comes first; provided the notice of layoff or separation is given after the commencement of the disability for which the benefits are being paid.

SHORT TERM DISABILITY

In the event that layoff or separation notice was given prior to the commencement of the disability, benefits will cease on the effective date of the layoff or separation only if the disability commenced within two months of the effective date of the layoff or separation. Benefits will continue to be paid for the maximum benefit entitlement period or until termination of the disability (whichever is earlier), if notice of layoff or separation was given prior to the commencement of the disability and if the disability commenced more than two months before the effective date of the layoff or separation.

Recurrent Disability

If you become disabled from the same or related disability within 14 consecutive calendar days after returning to active work, you will be considered to be within the original short term disability income benefit period. If you return to active work for one full day and become disabled from a new illness or injury unrelated to the illness or injury that caused the previous absence, it will be considered a new period of disability.

Offsets to Benefits

The amount payable to you under this benefit is calculated by deducting from your short term disability benefit any other sources of income from the

- Canada or Quebec Pension Plan (primary benefits only);
- benefits under any Workers' Compensation Act or similar law except for WCB permanent partial disability awards related to this disability or WCB benefits related to any other employment with another employer.

In the case of ICBC weekly indemnity payments, offsets will apply to the extent that the combination of plan benefits and ICBC weekly indemnity payments exceed either:

- 100% of your gross weekly earnings, or
- the applicable benefit percentage of your average total monthly income in the 12-month period immediately preceding commencement of the disability, whichever is the greater. Where this provision is to apply you will be required to provide satisfactory evidence of your total monthly income.

Where you make a successful wage loss claim against a third party for an injury for which you received or would receive short term disability income benefits, the Insurer will be entitled to recover or decrease plan benefits by an amount equal to the amount that plan benefits in combination with the wage loss claim paid exceed 100% of pay.

Rehabilitation

The Insurer will work with the joint union-employer Rehabilitation Committee at your institution to recommend that you undergo some suitable rehabilitative training program which would take into account the nature and limitations of your disability. If you engage in rehabilitative employment, your earnings from rehabilitative employment plus the short term disability income benefit and income from other sources specified above cannot exceed 100% of your gross earnings. If total income exceeds 100%, the short term disability income benefit will be reduced by the amount of such excess.

If an employee receives earnings from employment which has not been approved as rehabilitative employment, then the short term disability benefit will be reduced by 100% of such earnings.

Subrogation

The Insurer shall have full rights of subrogation with respect to the full or partial amount of any short term disability income benefits paid or payable to you where your disability is caused or contributed to by the action of any third party.

SHORT TERM DISABILITY

Premium Waiver for Prolonged Disability

Once you receive benefits for the maximum Benefit Period, the premium for this benefit will begin to be waived. This premium waiver will continue while you remain disabled and unable to return to work. Upon your return to work, you must begin to pay the premium again in order to remain insured for this benefit.

Exclusions and Limitations

No benefit shall be payable for:

- a disability resulting from substance abuse, including alcoholism and drug addiction, unless you are participating in a recognized substance withdrawal program;
- a disability resulting from participation in the commission of a criminal offense;
- the portion of a period of disability during which you are imprisoned in a penal institution.

The short term disability plan does not cover a disability or illness resulting from:

- war, insurrection, rebellion, or service in the Armed Forces of any country after the commencement of this plan;
- voluntary participation in a riot or civil commotion except while you are in the course of performing the duties of your regular occupation.

LONG TERM DISABILITY

In the event you become totally disabled for the required period of time known as the Qualifying Period and you are under the continual treatment of a legally qualified physician deemed appropriate by Manulife Financial, you will receive a monthly income benefit.

Benefit Amount	70% of your monthly earnings, subject to a maximum benefit available based on the highest salary scale in the current collective agreement. Maximum benefit is \$6,000 per month effective April 1, 2002.
Qualifying Period	180 consecutive days or the duration of the benefit period provided under the Short Term Disability benefit, whichever is earlier.
Maximum Benefit Period	Benefits will continue to be paid to the end of the month following your 65th birthday, or earlier recovery.
Termination Age	Age 65 or earlier retirement.

Tax Status of Benefits

Since your Employer pays the entire cost of this benefit, any disability benefits you receive will be taxable income.

Definition of Monthly Earnings

Monthly earnings is defined as your normal earnings on the last day of work plus any negotiated retroactive salary increases during the sick leave period. If you work less than full-time, or your regular employment includes a period of layoff with a pre-determined recall date of less than nine months, the gross weekly earnings refers to your hours normally worked per week, as determined by averaging the number of hours you actually worked over the 12 month period immediately preceding the date of disability or illness, times your regular hourly rate, or the hourly equivalent, which are rates in effect at the date of disability.

Qualifying Period

The qualifying period starts when you first become totally disabled and ends after the earlier of 180 days or the end of the benefit period provided under the short term disability plan, provided your disability is continuous and you are under age 65.

Maximum Benefit Period

Benefits will continue to be paid until the earlier of:

- the date you no longer qualify,
- the end of the month following your 65th birthday or retirement, or
- the day of layoff or separation as follows:

If you are receiving benefits under this policy you shall continue to receive such benefits upon layoff or separation until the termination of the disability or until the maximum benefit entitlement has been granted, whichever comes first; provided the notice of layoff or separation is given after the commencement of the disability for which the benefits are being paid.

In the event that layoff or separation notice was given prior to the commencement of the disability, benefits will cease on the effective date of the layoff or separation only if the disability commenced within two months of the effective date of the layoff or separation. Benefits will continue to be paid until the termination of disability or until the maximum benefit entitlement period (whichever is earlier), if notice of layoff or separation was given prior to the commencement of the disability and if the disability commenced more than two months before the effective date of the layoff or separation.

LONG TERM DISABILITY

Definition of Total Disability

Total disability means your complete inability because of an accident or sickness to perform all the duties of your own occupation during the qualifying period plus the next two years of disability.

After the qualifying period plus the next two years of total disability, your ability by reason of education, training or experience to perform the duties of a gainful occupation for which the rate of pay is not less than 75% of the current rate of pay of your regular occupation at the date of disability will not be considered totally disabled and will therefore not be eligible for benefits under this long term disability plan.

During a period of total disability, you must be under the regular and personal care of a legally qualified doctor of medicine.

Recurrent Disability

If a disability recurs and it is due to the same or related causes, it will be considered as one continuous disability and will not be subject to the Qualifying Period unless you have returned to active, full-time employment for a period of 6 consecutive months or longer, or you have been in an approved rehabilitation program for more than 24 months.

If your new disability is due to causes unrelated to your prior disability you may be eligible for a new disability period, subject to the Qualifying Disability Period, if you have returned to active work for at least one full day.

Offsets

The amount payable under this benefit for total disability is calculated by deducting from your benefit any other sources of income from:

- the Canada or Quebec Pension Plan (primary benefits only);
- any amount payable under the Workers' Compensation Act or similar law;
- any income from any group insurance, wage continuation or pension plan of the Employer that provides disability or retirement income;
- any amount of disability income provided by any compulsory act or law;
- any amount of disability income provided by any group or association disability plan to which you might belong or subscribe;
- any amount of Guaranteed Available Income for Need (GAIN) benefits received for the same period, except where the GAIN benefits received for that period are repaid to GAIN. Where you have been deemed eligible for GAIN benefits, which exceed the LTD benefits level, LTD benefits will not be subject to reduction for that additional amount.

Notwithstanding the above, in the case of ICBC Weekly Indemnity payments, integration will apply to the extent that the combination of plan benefits and ICBC Weekly Indemnity payments exceed either:

- 100% of the employee's gross monthly earnings, or
- the applicable benefit percentage of the individual average total monthly income in the 12-month period immediately preceding commencement of the disability, whichever is the greater. Where this provision is to apply you will be required to provide satisfactory evidence of your total monthly income.

Notwithstanding the above, where you make a successful wage loss claim against a third party for an injury for which you received or would receive long term disability income benefits, the Insurer will be entitled to recover or decrease plan benefits by an amount equal to the amount that plan benefits in combination with the wage loss claim paid exceed 100% of pay. Note that the amount of plan benefit recovered or decreased will be reduced or limited to the legal fees attributed to the Insurer's share of total claim recovery.

LONG TERM DISABILITY

All Source Maximum

Your total monthly income while disabled (Long Term Disability benefit plus any income listed above and CPP family benefits) cannot exceed 100% of your gross pre-disability earnings. If your total income exceeds 100%, your Long Term Disability benefit will be reduced by the excess amount.

Rehabilitative Employment

If you are receiving disability benefits and enter into a rehabilitation program approved by the Rehabilitation Committee and/or Manulife Financial, you will still be considered totally disabled during your participation in the program and your benefits will continue.

If you receive income from the rehabilitation program, your benefit payments from Manulife Financial will not be reduced unless the total income you receive from all sources exceeds 100% of your pre-disability earnings. If you receive income from employment which has not been approved as rehabilitative employment, then the long term disability benefit will be reduced by 100% of such earnings.

Waiver of Premium

The premium for your Long Term Disability benefit will be waived during any period you are eligible to receive Long Term Disability benefit payments.

Subrogation

If you recover damages from or reach a settlement with a third party who has caused or contributed to a disability for which you have received benefits under the Long Term Disability Benefit, Manulife Financial has the right to be reimbursed to the extent of the payments under this Benefit.

Exclusions

No benefits are payable to you for any disability caused by, contributed by, or resulting from a pre-existing condition and which begins in the first 12 months after your original date of hire (i.e., your first day of your most recent appointment date as a regular or non-regular employee). A "pre-existing condition" means a sickness or injury for which you received medical care in the three months prior to your original date of hire (as defined above). Medical care is considered to be obtained when you consult a doctor, use medication on the advice of a doctor, or receive other medical services or supplies.

No benefit shall be payable for:

- a disability resulting from substance abuse, including alcoholism and drug addiction, unless you are participating in a recognized substance withdrawal program;
- a disability resulting from participation in the commission of a criminal offense;
- the portion of a period of disability during which you are imprisoned in a penal institution.

The long term disability plan does not cover a disability or illness resulting from:

- war, insurrection, rebellion, or service in the Armed Forces of any country after the commencement of this plan;
- voluntary participation in a riot or civil commotion except while you are in the course of performing the duties of your regular occupation.

LONG TERM DISABILITY

Canadian Residency Requirement

No benefits are payable if you reside outside Canada for any period exceeding 90 consecutive days or a total of 180 days in any 365 day period, unless:

- I. you have previously notified and received approval in writing from Manulife Financial; and
- II. you remain under the regular care of a licensed physician deemed appropriate by Manulife Financial; and
- III. proof of the ongoing disability can be determined on evidence satisfactory to Manulife Financial in English or French within 30 days of request.
