

FAMILY CHILDCARE

Family Childcare Program

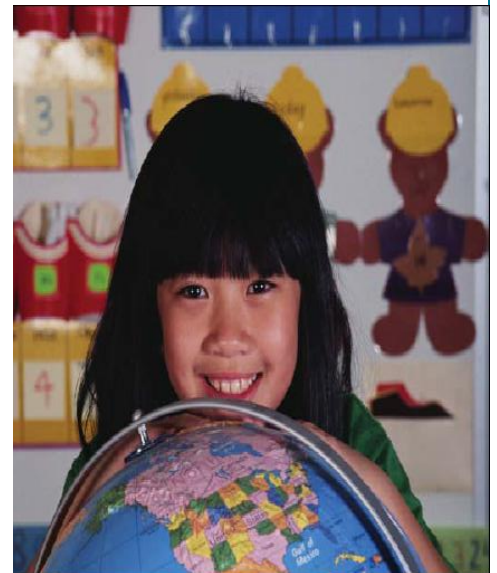

Good Beginnings:

Caregiving Skills for Family Child Care Providers
(An Introductory Family Child Care Training Program)

Surrey: **Jan 8 – Mar 12, 2009**
 Mar 26 – May 28, 2009

Richmond: **Jan 20 – Mar 14, 2009**

Learn the basic skills and knowledge to provide children with a nurturing, quality, safe, healthy and stimulating environment. This course covers important topics in a child's development, behaviour guidance, health and safety requirements. As well as skills in managing the business (licensing requirements), policies and procedures of providing child care in the home business setting. Emphasis is placed on getting started, setting up for a quality environment and working with children.
