Submitting an incomplete application may result in a processing delay.

STEP 3: SUBMIT REQUIRED DOCUMENTS

More detailed information about required document submission can be found at www.kwantlen.ca/admission/reqdocsub.

High School Transcripts

Students currently attending a BC high school need to submit the “Post-secondary Institutions (PSI) Selections Form” found online at www.bced.gov.bc.ca/transcript/transcripts_info.htm between the months of November and June of the school year to ensure high school transcripts are sent automatically to Kwantlen.

Students who have already completed high school are required to submit official high school transcripts, sent directly to Kwantlen Admissions by the issuing body, or submitted in-person at any Kwantlen campus.

Post-secondary Transcripts

Applicants that have completed post-secondary studies at another institution may submit official transcripts. Official post-secondary transcripts must be sent to Kwantlen (at the student’s request) from the issuing institution.

International Credential / Transcript Submission

Applicants that have completed education outside of Canada are required to submit official transcripts. Certified translations are required when the original language is not in English or French. Official transcripts must be sent directly from the issuing body to Kwantlen Admissions. Official transcripts must be a detailed statement of completed courses and corresponding grades. A graduation statement is also required on the transcript when applicable. All documentation filed in support of this application becomes the property of Kwantlen Polytechnic University and may be retained as part of each student’s record.

APPLICATION FEES

Application \$120

Re-application \$120

TIMELINES

Early application is advised. Application deadlines are posted online at www.kwantlen.ca/admission/intappdeadlinesandfees. Applications are only applicable to the term indicated on the application.

TRANSFER CREDIT

Through the transfer credit process, a student who has completed courses at another post-secondary institution may request that these credits be transferred to Kwantlen. In addition to evaluation of post-secondary courses, the Transfer Credit Department also evaluates courses completed in high school (e.g. Advanced Placement Program, International Baccalaureate Program).

It is strongly recommended that students submit their Request for Transfer Credit form and all supporting documentation at least 8 weeks prior to their registration date so that they can make well informed choices with respect to course selection. Once all required documentation has been received, the transfer credit articulation process will take approximately 6-8 weeks. To learn more about the transfer credit process, deadlines and to download forms, visit www.kwantlen.ca/transfercredit.

OFFERS OF ADMISSION

Upon successfully completing all admission requirements, you will be sent a conditional offer letter, requesting a commitment fee. Upon receipt of your commitment fee, you will be sent an immigration package that you will need for your study permit application. Be sure to apply for your study permit as soon as possible at your closest Canadian Consulate, embassy or high Commission.

STUDY PERMITS

All International students are required by Citizenship and Immigration Canada to have a valid study permit during the course of their studies in Canada. It is the student’s responsibility to ensure legal status is maintained. A copy of your valid study permit must be submitted to Kwantlen.
