

Kwantlen Psychology Lab Research Pool

Spring 2012

Students enrolled in particular psychology courses (please check the list below) earn bonus points towards course credits from participating in psychological research studies that are approved by Kwantlen REB and registered for Psychology Lab Research Pool. The research credit/bonus point distribution will be given differently based on the professors' decisions.

Class	Section	Professor	Extra credits/course assignment	Maximum credits	Credit distribution	Due Date	Additional Alternatives
